Welcome

Thanks for buying a car insurance policy with Ageas. We're one of the UK's largest insurers, protecting millions of people and businesses across the country – so you can have peace of mind that you're in safe hands.

This policy document – along with two documents called your policy schedule and certificate of motor insurance – make up your agreement with us. The agreement is based on the information that you provided when you applied for the policy, so it's important that this is correct.

The policy document, schedule and certificate of motor insurance tells you what is and isn't covered. We've tried to make it as clear as possible when your policy will cover you and when it won't. But if anything's not clear to you – or is incorrect – please call the insurance adviser who sold you the policy.

Hopefully, you'll never need us. But if you do make a claim, we promise to deal with it as quickly as possible – leaving you one less thing to worry about.

Thanks again for choosing Ageas.

Andy Watson

CEO, Ageas Insurance Limited

Your policy in a nutshell

We've designed our car insurance policy to cover you against the unexpected. Like all insurance policies, there are limits to what we will and won't cover – and you can find all the details in the later sections of this document.

Here's a brief overview of the main things that your policy will and won't pay out for. Bear in mind that you may not be covered for everything listed in the examples below if you've only bought third party, fire and theft cover.

Just to be clear, the incident must happen during the time your vehicle is covered by us.

The most common reasons people claim on their car insurance policy are:

		
They've been involved in a car accident	Their windscreen has been damaged	Their car has been stolen

The most common things people try to claim for, which aren't covered are:

- Their car was stolen while the keys were left in their car or it was left unlocked.
- Their car breaks down due to an electrical or mechanical fault.

If your car has been modified

You must tell us if your car has been modified. If you have not told us, the policy may be cancelled, which may result in your claim not being paid. More details are given on page 11, point 17 – Equipment and modifications to your car.

Making sense of your policy

We've tried to make this document easy to understand and navigate. But there may still be a handful of words and phrases that you may not be familiar with. Some words also have a technical meaning – so while they may sound straightforward, they have a specific meaning when we mention them in your policy.

Wherever possible, we've defined key words and phrases at the point where we mention them – but there are a few that come up regularly, so it's worth familiarising yourself with these before you read on.

Certificate of motor insurance – This is a document that you'll be sent after you've bought your policy. It shows which car is covered, who is allowed to drive your car, and what your car can be used for. It also shows the start and end dates of your cover.

Policy schedule – This is a document that you will have been sent when you set up your policy. It contains all the specific details of your policy, such as the level of cover you have, the maximum claim limits, excesses and the dates when the policy starts and ends. It will also include the details of your car along with details of the people who are insured to drive it. We will issue you a new schedule each time you renew your policy or if your policy is changed.

Your car – When we use the term 'your car' we mean any car that's covered under this policy. This includes any equipment in your car (such as sat navs, accessories, spare parts), fitted as standard by your car manufacturer or an approved dealer. We will also cover child seats.

We, our, us – If we use the words 'we', 'our' or 'us' – then we're talking about Ageas Insurance Limited.

You or your – Where we use the words 'you' or 'your' – we're talking about the policyholder named on the policy schedule.

Finally this policy is between you and us; it is not our intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else the right to enforce this policy. English Law will apply to this policy unless you live in Scotland, Northern Ireland, Isle of Man or the Channel Islands, in which case the law where you live will apply. We will communicate with you in English.

Endorsements

Endorsements are additional terms that apply to your individual policy. You'll find details of them on your policy schedule, which will have been sent to you when you took out your policy.

So, for example, if you have an additional security device fitted to your car, we may agree to lower your premium, but we'll also add some extra terms to your policy.

These terms are your endorsement. In this example, your endorsement may say that we won't cover you if your car was stolen and you didn't have the security device switched on at the time.

Making sense of your policy continued

Your obligations to us

- 1 You must pay, or agree to pay, the policy premium. In return we will provide cover under this policy.
- 2 You need to make sure that your car is roadworthy and safe to drive at all times. You must protect your car and its accessories from being stolen or damaged. If you don't look after your car and ensure that it has a valid MOT (if required), we may not be able to pay your claim.
- 3 You need to ensure that all your personal possessions are placed out of sight and your car is locked at all times when unattended.
- 4 You must use your car's equipment in accordance with the manufacturers' instructions, such as electric charging cables and tow bars.
- 5 Sometimes we are able to recover costs for a claim from another party, or we may need to defend a claim in court. If we do this, you or any other person covered must provide any documents or information that we request.

Always tell the truth

It's really important that you're honest with us when you're buying a policy, updating the policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or cause us to suffer a financial loss, is fraud and pushes up the cost of insurance for all customers.

If we do find that you have defrauded us to obtain or change a policy, we may void the policy and you may not get a refund. This means that we would treat the policy as though it had never been issued. If you have carelessly provided misleading information we may leave your policy in place but only pay part of any claim you make. If you commit fraud when making a claim we may refuse to pay the claim or make you repay any money we've already paid out in claims.

We will also tell other insurers and anti-fraud databases, which could affect your ability to get access to insurance and other financial services in the future. We may also let the police know, who may choose to bring charges against you that could ultimately result in a prosecution. So please do make sure that you're always honest with us, so that we can pay claims you make, and keep the cost of our insurance down for all our customers.

The Insurance Fraud Bureau's Cheatline is independent to us and is a free and confidential way for anyone to report insurance fraud.

Each month, around 500 reports are received by the IFB, via either the free-phone number, which is powered by Crimestoppers, or through the online form.

Information submitted to the Cheatline complements the wide array of data from the insurance industry and other agencies, giving us a unique insight into organised insurance fraud in the UK. Together, this information helps us identify fraudsters and work with others to bring them to justice, as well as help insurers avoid having to pay out fraudulent claims.

Step by step guide to making a claim

1 Before you call us

If your car has been involved in an accident, make sure you take down the registration number of any other vehicles involved, as well as the contact details of any other drivers and any witnesses.

If your car has been stolen, something's been stolen from it, or it has been vandalised, you should start by calling the police. You need to make sure you get a crime reference number.

Finally, you mustn't negotiate or settle any claims made against you.

3 How we'll handle your claim

After an incident, we will decide if your car can be repaired. You will then need to decide whether you want us to arrange the repairs for you, or whether you want to arrange it yourself. We may choose to pay you a cash amount equal to the repair.

If your car is being repaired

Using our approved garage	Using your own garage
<p>If your car's not safe to drive, we'll arrange for it to be collected from the scene of the incident.</p> <p>We'll arrange for your car to be securely stored if it can't be taken to a garage straight away.</p> <p>If your car is safe to drive, we'll arrange for it to be collected at a convenient time to carry out the repair.</p> <p>We'll agree the costs of the repairs with our approved garage.</p> <p>If you have comprehensive cover we'll get you a courtesy car on the next working day after we've agreed to repair your car – and we'll let you keep it for as long as the repairs take.</p> <p>When the repairs are finished, we'll deliver your car back to you.</p> <p>Our approved garages may use recycled parts as well as new parts which are not supplied by the manufacturer. All parts used to repair your car come with a guarantee. All workmanship is guaranteed for as long as you continue to own your car.</p>	<p>If your car's not safe to drive, you may have to arrange for it to be collected from the scene of the incident.</p> <p>If a garage can't take your car straight away, you may have to arrange for it be stored.</p> <p>If your car is safe to drive, you may have to arrange collection from home with your own garage.</p> <p>You will have to send us estimates for the cost of repairs, and we'll need to agree this before the work starts.</p> <p>We don't give you a courtesy car while your car is in the garage.</p> <p>You may have to arrange for your car to be returned to you once the repairs are complete.</p> <p>We don't guarantee the repair work.</p>

When we can get you a courtesy car

If your car is being repaired by one of our approved garages in the UK, Channel Islands or Isle of Man, and you have comprehensive cover, then we'll offer you a small courtesy car for as long as your car is being repaired. But we don't offer this if it has been stolen and unrecovered, or if we have decided not to repair your car, or if you have taken it to a garage of your choice. If you have an electric car we may not be able to get you an electric courtesy car.

Step by step guide to making a claim continued

If your car isn't being repaired

If we don't repair your car, we'll assess its market value.

We calculate the market value by looking at what the cost would be to replace your car with one of a similar age, type and mileage. We will also take into account the condition of your car just before the incident.

If there is any outstanding loan, lease or contract hire agreement on your car, we will pay the finance, leasing or contract company. Should our settlement be less than the amount you owe, then the loan, leasing or contract company may contact you for the shortfall.

Once we've paid the claim, your car will belong to us. If you have a private registration plate, please let us know.

If you bought your car new and it is a year or less old and the mileage at the time of purchase was under 250 miles – we will arrange to get you a new one of the same make, model and specification if you want us to. If the same car is not available, we will ask you to supply your purchase invoice and give you the amount you paid for your car when you bought it. We will do this if the repair costs are more than 60% of replacing with a new identical one.

Acting on your behalf

If someone takes legal action against you, or anyone else named on this policy after an accident, you need to let us know. We may carry out the defence on your behalf, including representing you in court.

You may also need to let us take legal action against other people involved in an accident on your behalf. We can do this in the name of anyone claiming on this policy.

What is an excess and how does it work?

This is the amount that you'll have to pay towards any claim you make. For example, if we agree to settle your claim for £1,000 and you have an excess of £100 on your policy – we would pay you £900.

If we are repairing the car, you may have to pay the £100 excess directly to the garage.

There are different excesses for different parts of your policy – and you'll find the details of these in your policy schedule. You also need to remember that sometimes more than one excess will apply, and we will add them together. For example, if the policy has an accidental damage excess of £100 and a young driver excess of £150, a young driver making an accidental damage claim would have to pay £250.

Just to be clear, you only pay an excess when you are claiming for loss or damage to your car.

What your policy doesn't cover

There are some circumstances in which your policy won't pay out. You'll see a detailed list of what is and isn't covered in the later sections of this policy.

But there are some things we won't pay out for regardless of the circumstances. We've laid these out below.

- 1** We won't pay for general wear and tear to your car, or any damage that happens gradually.
- 2** We will not pay claims where another insurance policy already covers the same claim.
- 3** We won't pay for failures of your car's equipment, electrics or mechanics if they don't work – for example, if your sunroof, hood mechanism, bonnet or electric windows won't open or close.
- 4** We won't pay claims which happen because you let someone drive your car who isn't insured to drive it under this policy.
- 5** We won't pay claims if you allow someone to drive your car who you know doesn't hold a valid driving licence or who doesn't meet all the conditions of their licence.
- 6** We won't pay claims if your car is being used for racing, or is driven on any kind of racetrack – including the Nürburgring in Germany.
- 7** We won't pay claims if you, or anyone allowed to drive under this policy drives recklessly, or without due care and attention and deliberately causes any loss or damage to your car.
- 8** We won't pay claims if you allow your car to be used for anything to do with crime which results in a criminal conviction.
- 9** We won't pay claims that are the result of war or terrorism. By terrorism, we mean any act that the UK government declares to be an act of terrorism.
- 10** We won't pay claims that have been caused by ionising radiation or radioactive contamination from any nuclear fuel or any nuclear waste.
- 11** We won't pay claims that are the result of you, or anyone allowed to drive under this policy driving your car anywhere that the public are not permitted, such as airfields or military sites.
- 12** We won't provide cover for any person driving at the time of the incident who is found to have a higher level of alcohol or drugs in their body than is allowed by law.
- 13** We won't provide cover for any person driving at the time who is given a driving ban as a result of the incident.
- 14** We won't pay claims if you use your car for any other purpose that is not listed on your certificate of motor insurance, such as using your car as a taxi, minicab or fast food delivery.
- 15** We won't pay claims for damage to your car caused by putting the incorrect fuel in.
- 16** We won't pay claims caused by you or anyone else not using your car's equipment, such as electric charging cables and tow bars, in the way your car manufacturer tells you to, or it has been used in an unsafe way.
- 17** We will only cover equipment and modifications on and in your car, if fitted by your car manufacturer or an approved dealer. If you fit new equipment to your car, or make a modification which is not on your manufacturer's list, we won't cover you for the cost, unless you have told us about the equipment or modification and we have accepted it.
- 18** We won't cover your uninsured losses, such as your excesses.

Other things you are covered for

Car sharing

We will also cover you for carrying passengers as part of a car share scheme, but you cannot be paid to do this or do it as a business.

When your car is in the garage being repaired

We expect that your garage will already cover you for this, but just in case they don't and you have Comprehensive cover, we will provide cover whilst your car is in the garage being repaired or having a MOT. This cover only applies when your car is being driven or worked on by the garage for the purpose of the repairs or MOT.

Uninsured driver promise

If an uninsured driver hits your car, and it's not your fault, we'll refund any excess paid and your no claim discount will be restored. You'll need to give us the other vehicle's registration number and the details of the accident including the name of the driver, for us to do this.

No claim discount

If a claim has not been made since you bought or last renewed your insurance policy, we'll offer you a discount in your price for next year when it's time to renew.

If you have made a claim, your no claim discount may be reduced. But this doesn't include claims for damaged windscreens and glass, or replacement locks and keys.

We also won't reduce your discount if we manage to recoup all the costs of your claim from someone else – for example, from the insurance company of someone else involved in the accident.

Having a no claim discount will reduce the price that we offer you when it's time to renew your policy. However, the overall cost of your insurance may still increase and you may have to pay a higher excess.

No claim discount protection

If you are eligible, this is a cover that you can request and pay a premium to protect your no claim discount. This protection will mean you can keep your discount as long as you do not make more than two claims in any consecutive three year period. After a second claim is made you won't be eligible to protect your no claims discount. Check your no claim protection discount document for details of your no claim information. For details of what will happen to your no claim discount if you have an incident that leads a claim, go to www.ageasbroker.co.uk/ncd.

Things you need to tell us about

It's important you keep us up to date with changes that may affect your insurance policy. If any of the information that you gave your insurance adviser has changed, then you must let them know. If you don't, it could mean that we won't pay your claim and your policy may be cancelled.

The kind of things that we need to hear about are:

- A change of car or a change in your car's registration number.
- A change of address or a change to the place where you keep your car overnight.
- Any modifications or additions to your car – such as changes to the bodywork, suspension, brakes or any changes that affect the performance of your car.
- Any driver on the policy passes their driving test.
- There is a change to who drives your car the most.
- You or anyone else on this policy changes their job, takes a second job or changes how they use your car.
- You or anyone else on this policy who drives your car has their driving licence taken away or suspended.

Please remember that if you don't tell us about changes, it may affect any claim you make. If you're not sure whether you need to tell us about a change, give your insurance adviser a call.

If you do tell us something has changed, we can increase or reduce your premium as well as any excesses. This may also mean that a new endorsement could apply.

If your premium goes up or down as a result of the change, we'll charge you £9 (plus insurance premium tax, where applicable). Your insurance adviser may also make an administration charge for changing your policy on top of our charge.

How to cancel your policy

You're able to cancel your policy at any time. To do so, you need to get in contact with the insurance adviser who sold you this policy. How much money you get back will depend on how long you've had the policy for and whether or not a claim has been made or may be made on your policy.

Cancelling before the policy starts

If you or we cancel the policy before the start date, we'll refund you, your entire premium.

Cancelling after the start of the policy

If you or we cancel after the start date of your policy, we'll refund you for the time that is left on the policy, minus our administration charge of £24 (plus insurance premium tax, where applicable), as long as no claim has been made or may be made on your policy. Your insurance adviser may also make an administration charge for cancelling your policy on top of our charge.

So if you pay annually, we'll work out the cost of your insurance per day, and refund you for the days that you haven't yet used.

If you pay monthly, you may have to continue your payments even after your policy has been cancelled. Check with the insurance adviser who sold you the policy. It's important to be aware that your policy won't be cancelled if you simply stop your direct debit.

If a claim has been made on this policy, or something has happened which might lead to a claim – then you won't receive any refund. And if you pay for your insurance on a monthly basis, you will need to pay the remainder of the year's premium.

Our right to cancel your policy

We or your insurance adviser have the right to cancel this policy at any time by giving you 7 days' notice in writing, as long as we have a valid reason. We'll tell you the reason why.

Reasons why we may decide to cancel your policy include:

- Changes to the information that you provided us when you purchased the policy, which are shown on your proposal form, statement of fact or policy schedule, that mean we no longer wish to insure you.
- There's been a misrepresentation which means we no longer wish to insure you.
- We're unable to take a payment from your account, although we will give you the chance to make the missing payment.
- You, or someone representing you, is abusive to our staff or anyone acting on our behalf.
- You won't give us information that we ask for.

If we suspect fraud on this or another related insurance policy we may choose to cancel your policy immediately.

If we discover that you have deliberately withheld information from us, or you gave us wrong information because you didn't take care when communicating with us or your adviser, we may be entitled to void your policy. This means we would treat the policy as though it had never been issued. We may also refuse to pay any claim and keep any premium you've paid.

If we discover that you have committed fraud when a claim is being made we may refuse to pay the claim and make you repay any money we've already paid out in claims.

How to make a complaint

Should there ever be an occasion where you need to complain, we'll do our best to address this as quickly and fairly as possible.

If we can't, then we'll:

- Write to you to acknowledge your complaint.
- Let you know when you can expect a full response.
- Let you know who is dealing with the matter.

In most instances, we'll be able to address your complaint within the first few days of this being notified to us. On occasion, further investigation may be necessary, but we'll provide you with a full written response to your complaint within eight weeks of notification.

If your complaint is about the way your policy was sold to you, please contact your insurance adviser to report your complaint.

What to do if you're not happy with our response

In the unlikely event that we haven't responded to your complaint within eight weeks or you're not happy with our final response you have the right to take your complaint onto the Financial Ombudsman Service but you must do so within six months of the date of our final response.

The Ombudsman is an impartial complaints service, which is free for customers to use and taking your complaint to the Ombudsman does not affect your right to take your dispute to the courts.

You can find out more information about how to complain to the Ombudsman online at: **www.financial-ombudsman.org.uk**.

Alternatively, you can write to the Ombudsman at:

Financial Ombudsman Service
Exchange Tower

Please note that if you don't refer your complaint within the six months, the Financial Ombudsman Service won't have our permission to consider your complaint and therefore will only be able to do so in very limited circumstances, for example, if it believes that the delay was as a result of exceptional circumstances.

Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS).

In the very unlikely event that Ageas was to go bust, your insurance policy would still remain valid in the event that you needed to make a claim. For more details about the scheme visit **www.fscs.org.uk** or telephone **0800 678 1100** or **020 7741 4100**.

How we look after your personal information

The details provided here are a summary of how we collect, use, share, transfer and store your information. If you'd like to read our full Privacy Policy please visit our website www.ageas.co.uk/privacy-policy or contact our Data Protection Officer at: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA, or by emailing thedpo@ageas.co.uk.

Your insurance adviser will have their own uses for your personal data and this will be covered in their terms and conditions. Please ask your insurance adviser if you'd like details about how they use your personal information.

Collecting your information

When you take out a policy with Ageas, we collect lots of information, such as your name, address, date of birth, credit history, criminal offences, financial details, claims information and IP address (which is a unique number identifying your computer). We may also ask you to share special categories of personal information such as details about your health.

We also collect information from a number of different places, for example: publicly available sources such as social media and networking sites; third party databases available to the insurance industry; firms, loss adjustors or suppliers appointed in the process of handling a claim.

Using your information

The main reason we collect your personal information and/or special categories of personal information is to provide you with an appropriate insurance quotation, policy and price. We may also need it to manage your policy, deal with a claim or send documents to you. When you apply for insurance, our decision to provide a quotation may involve an automated process. If you object to this being done, we won't be able to provide you with an insurance quotation.

We'll also use your information where we feel there is a valid reason for doing so, for example: preventing or detecting fraud and financial crime (which may include processes which profile you) and carrying out research and analysis.

If you've given us information about someone else, you must have their permission to do so.

Sharing your information

We share your information with a number of different organisations. This may include, but is not limited to: other insurers; regulatory bodies; carefully selected third parties providing a service to us, in partnership with us,

or on our behalf; fraud prevention and credit reference agencies and other companies, for example, when we're trialling their products and services which we think may improve our service to you or our business processes.

Unless required to by law, we'd never share your personal information without the appropriate care and protection in place.

Keeping your information

We'll only keep your information for as long as is necessary in providing our products and services to you and/or to fulfil our legal and regulatory obligations. We also keep your information for a number of years after the expiry of your policy in order to respond to any queries or concerns that may be raised at a later date with respect to the policy or handling of a claim. Please refer to our full Privacy Policy for more information.

Use and storage of your information overseas

Your personal information may be transferred to, stored and processed outside of the United Kingdom (UK). Where we do this we'll take all reasonable steps to ensure your personal information is adequately protected to the same level as if it had remained in the UK. Please note that we or our service providers may use cloud based computer systems to which foreign law enforcement agencies may have the power to access.

Your rights

You have a number of rights in relation to the information we hold about you including: asking for access to and a copy of your personal information, objecting to the use of your personal information or to an automated decision including profiling, asking us to correct, delete, restrict or withdraw any previously provided permission for the use of your personal information, and complaining to the Information Commissioner's Office if you object to the way we use your personal information. A full list of your rights can be found in the full Privacy Policy.

There may be times when we won't be able to delete your personal information. This might be because we need to fulfil our legal and regulatory obligations or if there is a minimum period of time for which we have to keep your information. If we're unable to fulfil a request, we'll always let you know our reasons.
