

About Us and the Services we provide

As an Independent Broker we offer products from a range of insurers. For all quotes and sales, we source and arrange products but do not offer advice or make recommendations, when arranging your insurance. We will ask you questions to narrow down the selection of products on which we provide details. You will then need to make your own choice about how to proceed. Please refer to your policy documents for details of your insurer. A list of all insurers we transact with is provided below. We charge fees which are listed in the 'What You Pay' section below.

On specific products we may have a limited number of insurers who can offer cover and we will let you know when we are unable to review a fair analysis of the market. A list of these insurance undertakings is available upon request. We act on your behalf when arranging and administering your policy.

We use Close Premium Finance & Premium Credit Finance to provide credit facilities to our customers and they are the Lender. Where you have selected to use the credit facilities your information will therefore be passed to Premium Credit Finance or Close Premium Finance.

To assess your application, Premium Credit Finance & Close Premium Finance may use credit scoring, credit reference agencies and automated decision-making systems. They will also carry out an Anti-Money Laundering assessment. The assessment will take place after Premium Credit Finance or Close Premium Finance has received your application, if it is unsuccessful, they will notify you in writing and you will then need to find an alternative way to pay for your insurance premium.

We receive a percentage of the interest you pay from Premium Credit Finance. Details are available on request. In the event that your credit agreement with Premium Credit Finance or Close Premium Finance is terminated and there is an outstanding balance, you will need to pay this balance to us.

Payment of premium using Third Party instalment facilities

You have entered into a credit agreement with a third party lender (the 'Lender') under which the Lender has provided you with credit to finance the payment of premiums, fees or other sums payable by you under an insurance policy which we have arranged for you, as a result we have entered into arrangements with the Lender under which the Lender has the right to recover from us any money which you fail to pay to the Lender under the credit agreement and;

You agree:

- 1) to pay promptly the instalments and other money which you are liable to pay to the Lender under the credit agreement;
- 2) to pay promptly all the premiums and other money which you are liable to pay to the insurer under the insurance policy (including any money payable under the policy which is not covered by the drawings you make under the credit agreement and any money which becomes payable under the policy following the cancellation or termination of the credit agreement); and
- 3) to indemnify us in full against any money which, under the arrangements between us and the Lender, we have paid, or are liable to pay, to the lender following a failure by you to pay any money you owe to the Lender under the credit agreement.

Should you wish to take advantage of the 14 day cooling off period and not to proceed with the credit agreement, the interest will not be charged.

If you cancel after the 14 days, the interest will be charged for the period the agreement was in place. Any return premium issued by your insurer will be used to reduce the outstanding balance of the agreement.

Should your policy be cancelled the credit agreement will terminate and any balance due will become payable in full.

Cancellation of the credit agreement or non-payment of your premiums will be an instruction from you, to us, to cancel your policy unless the full balance of the agreement is paid. We reserve the right to cancel or lapse a policy where payments are not received by the date due.

Any adjustment confirmation schedule will show the amount due to the insurers and you will be informed of the total cost, including any charges, when obtaining quotations for adjustments.

In the event that we are not able to collect the payment or you do not pay any balances due to us we will pass the debt to a debt recovery agency, including assignment of rights under the contract you have entered into, which means that your information and the debt will be passed to a third party company. Please note that where the debt is referred to, or the rights assigned to a debt recovery company, this may affect your credit rating and they may charge you an additional fee for their service. They may also perform credit checks, use tracking systems and legal services in order to retrieve monies owed to us, which could result in a County Court Judgment (CCJ) registered against you if the debt is not paid.

Calls to 0844 numbers will cost you 7 pence per minute plus your phone company's access charge, other telephone numbers are available, please see our website or documents.

Renewals

For your protection shortly before the renewal of your policy, we will send you a renewal invitation, which contains information on the premium due and the details we hold. It is important that you check the information we hold is accurate and you inform us of any changes in your circumstances.

To ensure that we continue to offer a policy that is suitable to your needs we may offer an alternative insurer at renewal. If you are happy with your renewal quote, with the insurer offered, there may be nothing further for you to arrange.

Claims

In the unfortunate event that an incident occurs which may give rise to a motor claim, whether fault or non-fault, it is your duty to inform your insurers without delay. All correspondence received from any third party must be forwarded to us immediately upon receipt, failure to do so may prejudice your insurer's position and they may seek recompense from you for such loss.

As part of our service to you we also offer assistance with any motor claim you may need to make including, if required, the recovery of any uninsured losses you may incur. This service is administered & provided by Carpenters who may in the event of a non-fault accident, provide you with a replacement vehicle for the period your vehicle is off the road. Compensation

We are covered by the Financial Services Compensation Scheme. In the unlikely event that we are unable to meet our obligations you may be entitled to compensation from this scheme. Compensation depends on the type of your insurance contract and the claim circumstances. For legally compulsory insurance contracts, insurance advising and arranging is covered for 100% of the claim without any upper limit.

For other classes of insurance advising and arranging is covered for 90% of the claim without any upper limit. For further information please contact: The Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU, or www.fscs.org.uk.

Cancellation

Your right to cancel your policy and your 'cooling off' period.

You have a right to cancel your policy at any time by contacting us verbally or in writing. You are entitled to a 'cooling off' period, which ends 14 days after you receive your policy documents.

What you will be charged if your insurance is cancelled:

- 1) Prior to the start date of your policy we will retain the policy set up fee.
- 2) Within the 'cooling off' period, you will be charged by the insurer for any cover you have received up until the point of cancellation and we will retain the policy set up fee.
- 3) After the 'cooling off' period, you will be charged by the insurer for any cover you have received up until the point of cancellation and we will retain the policy set up fee. We will also charge a cancellation fee.

In some circumstances a refund may not be possible and you will be required to pay the balance of any premium owed e.g. if you have made a claim. Your policy wording will set out your insurer's terms and any applicable cancellation charges made by your insurer.

Whenever your policy is cancelled, if we have given you a discount off your premium at inception this will be deducted on a pro rata basis from any refund due to you on cancellation. All applicable fees are detailed in the fees and charges table above

If the policy is cancelled after fourteen days you will receive a refund for the remaining period of insurance cover. Your Insurers may base their premium on "Short Period Rates", this could represent the time on cover with an additional charge equal to three months premium and the insurer may apply an administration cost which is outlined in the Insurance Product Information Document and the full policy wording. Any return premium to you will be the amount given by your insurers, less our cancellation charge of £55. Please note that we do retain our commission and any broker discounts given will be reversed prior to cancellation. If any additional products you have purchased are cancelled within the 14 day cooling off period, you will receive a full refund. If any additional products you have purchased are cancelled after the fourteen day cooling off period, you will be charged for the number of days cover that has been provided.

In the event that a claim has occurred under your contract, you will not be entitled to a refund of premiums unless your insurers have recovered all financial costs which may have been incurred as a result of dealing with your claim. If your additional products are cancelled and you or someone else has made a claim, no refund will be given, and you must pay the full premium. Please note if you have elected to pay by the instalment credit facility the credit agreement will be cancelled and the balance will become payable in full.

Insurers always retain the right to decline or not accept cover subject to 7 days notice. In the event of this happening your insurers will make a charge for the time on cover and Be Wiser will retain their arrangement charge.
