- 12 If **your motorcycle** is damaged and is uneconomical to repair (written off) and **we** agree to settle **your** claim on that basis **you** will still owe **us** the full annual premium as **we** will have met all **our** responsibilities to **you** under this policy. All cover will cease and **you** must send **us** any documentation that **we** require.
- 13 During the period of **your** policy, **you** must tell **us** about any changes which may affect **your** cover. If **you** fail to do so, **your** policy may not be valid and **we** may not pay **your** claim. For example:
- any event that could lead to a claim under this policy (whether claimed for or not);
 - **you** want to change the riders insured under this policy;
 - **you** move house or change the place **you** keep **your motorcycle**;
 - **you** expect to do fewer or more miles each year;
 - **your** name changes (for example, by marriage);
 - **you** change **your motorcycle** or the owner of **your motorcycle** changes;
 - **you** change what **you** use **your motorcycle** for (for example, **you** start using it for business purposes);
 - **you** get a new job (full or part-time) or take on a second job;
 - **you** make changes to **your motorcycle** (including fitting security devices); or
 - **you** develop any physical or mental problem that affects **your** ability to ride.
- This is not a full list. If **you** are not sure whether **you** need to tell **us** about a change in circumstances, tell **us** anyway. When **you** renew **your** policy **you** must tell **us** about:
- any of the changes above;
 - if **you** or any rider has received any motoring conviction, including fixed penalties; and
 - if **you** or any rider has received any criminal convictions, cautions or fines.
- You** or any rider do not need to disclose any conviction regarded as spent under the Rehabilitation of Offenders Act.

A guide to making a claim

If you are involved in an accident or your motorcycle is stolen

Call OneCall on **0345 126 2599** as soon as possible after the incident has occurred. Assistance is available on this number 24 hours a day.

The information you will need to provide to us:

- **your** policy/certificate number;
- **your** personal details and those of the rider; and
- full details of the incident and any other parties involved.

We will validate **your** claim and discuss with **you** how **your** claim will be progressed.

Getting your motorcycle Repaired

If **your motorcycle** needs to be repaired **we** have a nationwide network of approved repairers who can arrange to start work on **your** damaged **motorcycle** with minimum delay. Simply call OneCall and **we** will contact the nearest approved repairer for **you**. Collection and redelivery to **your** home can be arranged if required. Under **our** approved repairer scheme there is no need for **you** to obtain repair estimates.

Approved repairers have been specially chosen by **us** to ensure a high standard of service and provide high quality repair work, with a three year warranty. Their quality is constantly under review by **our** own team of engineers.

When repairs are complete

The repairer will let **you** know when **your motorcycle** repairs are complete. When **you** collect **your motorcycle** or when it is delivered to **you**, **you** will need to pay the repairer any policy **excess** or contribution which may be applicable.

If your motorcycle is a total loss

If **your motorcycle** cannot be repaired or the repair costs exceed the **market value** of the **motorcycle** it will be declared a total loss.

Once this is determined, **we** will immediately move **your motorcycle** to a place of free storage so please make sure that, wherever possible, all **your** personal effects are removed from **your motorcycle**.

You should be aware all total loss claims are placed on an industry-wide register to protect against fraud, and this information is shared between insurance companies.

Before a settlement can be made **you** will need to provide

us with the following documents:

- **your certificate of motor insurance**;
- the vehicle registration document (V5);
- the MOT test certificate (if applicable);
- all sets of keys;
- the **motorcycle** purchase receipt;
- details of any outstanding finance relating to the **motorcycle**; and
- any other documentation that **you** may wish **us** to take into account when valuing **your motorcycle** such as the **motorcycle's** servicing history.

Sending the documents to **us** direct will avoid any unnecessary delay in issuing **your** settlement cheque.

Once an engineer has assessed the market value we will contact **you** to agree a valuation of **your motorcycle** subject to the deduction of any applicable policy **excess**, any outstanding finance and any premium yet to be paid. Please note that in such circumstances, **you** still owe **us** the full annual premium as **we** have met all **our** responsibilities to **you** under the policy.

Once **you** have accepted this amount and subject to all information and documentation being in order, **we** will issue **you** with a cheque.

Please note that for reasons of safety and to prevent fraud, **we** actively discourage the retention of motorcycles declared a total loss, by policyholders. **We** are therefore unable to offer any further cover on such motorcycles and all such requests will be declined.

If your motorcycle is stolen

If **your motorcycle** is stolen and recovered with damage, it will either be repaired or a total loss payment made in the manner already described. If the **motorcycle** is not recovered this will also be treated as a total loss.

We may arrange for an Ageas Insurance representative to visit **you** to help **us** with **our** investigation of theft claims.

If a third party is involved

Do not admit liability. Obtain names, addresses and telephone numbers of those involved (eg. drivers, passengers, pedestrians and witnesses). Please also obtain insurance details for any vehicle(s) involved and offer **your** insurance details to anyone involved in the accident. Forward any third party correspondence to ourselves unanswered. Do not attempt to deal with any claim yourself unless agreed by **us**.

General information

Cherished or personalised number plates

If **your motorcycle** is stolen and not recovered or rendered a total loss **you** should contact the DVLA at the earliest opportunity to make the necessary arrangements to transfer the plate to a replacement **motorcycle**. Failure to do so could delay **your** claim.

Uninsured loss recovery

When making a claim any costs incurred which are not included under **your** policy, such as the **excess**, are known as 'uninsured losses'. If **you** are not at fault then **you** may be entitled to recover these from the known third party. **You** may have separate cover to assist in this recovery. Check **your** documentation or contact the third party or their insurers directly for reimbursement.

What to do if you have an accident

If **you** are involved in an accident or **your motorcycle** is stolen call Onecall on **0345 126 2599** – assistance is available on this number 24 hours a day.

The following guidelines will help **us** to help **you** with **your** claim.

1 Stop

If **you** have an accident with:

- another vehicle;
- a pedestrian;
- an animal (livestock);
- a dog; or
- another person's property.

You must stop at once.

2 Exchange all details

Important information is:

- the names and addresses of all those involved (including those of any witnesses);
- insurance company details (including policy numbers if known); and
- registration numbers of the vehicles involved.

3 Show your certificate of motor insurance

- If someone is injured in the accident, **you** must show **our certificate of motor insurance** to anyone who has a good reason for asking to see it.
- **You** must also report the matter to the police within 24 hours of the incident, and also show them **your certificate of motor insurance**.

4 Do not admit blame or offer any payment

Accidents are stressful, but it is essential that **you** do not admit blame, or make any offer of payment. This is due to the fact that it could make it more difficult for **us** to manage **your** claim and may also affect **your** rights.

5 Record all the facts

Record all the facts of the accident as soon as possible, regardless of how trivial the incident may seem at the time – they may help prove **your** case.

- A rough sketch of the scene showing all the positions of the vehicles involved, the road signs, markings, width, skid marks, obstructions, where the incident happened and the road names can help.
- A note of the weather conditions, visibility and conditions of the road is also useful.

- If **you** have a camera handy, all the better – take a photograph of the accident scene and any damage.

6 Letters and documents

All letters and documents **you** receive to do with the incident should be forwarded to **us** unanswered.

7 Theft

If **your motorcycle** is stolen, **you** should report the matter to the police as soon as possible.

8 Note

It will help speed up **your** claim if **you** have all **your** documents to hand, such as:

- **certificate of motor insurance**;
- driving licence;
- registration document; and
- MOT certificate (if applicable).

We will then guide **you** through the claims process.
