Introduction

Your Clear Complete insurance policy is made up of several parts which must be read together as they form **your** contract. Please take time to read all parts of this policy to make sure they meet **your** needs, and that **you** understand the cover provided, and general exclusions and general conditions that apply. If **you** wish to change anything or if there is anything **you** do not understand, or any statement is incorrect, please contact **your insurance broker**.

The parts of the policy are:

- this Introduction, the General Exclusions and General Conditions, all of which apply to all sections of the policy;
- the sections of cover selected by **you**, including the Meaning of Words, the Exclusions and Conditions which apply to the section;
- the **schedule**, which includes all **endorsements** applied to the policy while the policy is in force;
- The Statement of Insurance (The Statment of Insurance is the record of the information **you** have provided **us** with.)

If **we** explain what a word means, that word has the same meaning wherever it appears in **your** policy or **schedule**. These words are highlighted in **bold**.

We will insure **you** in accordance with and subject to the terms of this policy, in consideration of the payment to **us** of the premium for the **period of insurance**.

How we use your personal information

This explains how **we** collect, use and store **your** personal information. This includes any personal information given to **us** about other people named on the policy, quote or claim.

We want **you** to be confident about how **we** use **your** personal information. As a regulated company and information controller **we** take **our** responsibilities for the security and management of **your** personal information seriously. That's why **we** invest in **our** systems and processes to ensure that the way **we** collect, use, share, and store **your** information meets both the regulatory and **our** own high standards.

Legal grounds for processing personal information

We collect **your** personal information to provide **our** quotes, products and services to **you**.

As a regulated financial services organisation we're required to comply with legal and regulatory obligations such as the prevention, detection and reporting of fraud and other financial crime.

We'll process personal information for **our** legitimate interests, when **we** have a business reason to do so, to:

We'll ask for **your** consent (or next of kin's), to obtain any medical / health information **we** need. In an emergency **we**'ll manage claims until **you** or someone else is able to act on **your** behalf.

Automated decision making and profiling

We use automated decision making to help determine the prices, policy terms, relevant products / services, when **you** research or ask for a quote, buy insurance, make any changes, renew or make a claim. **We** may also profile **you** based on **your** personal information and that provided by third parties. Profiling may be used to help determine the likelihood of a claim or policy transaction being fraudulent.

Profiling will also be used to enhance **our** understanding of **you** and to inform **our** business decisions (eg product design, pricing, customer journeys or marketing strategy).

Please see the personal information rights section below.

How we use your personal information (continued)

Multiple policies at the same address

We may provide a discount if there is more than one policy at the same address. This could result in anyone at the address who has a policy or quote with **us** then being made aware that someone else living there also has insurance with **us**.

International transfers

In the event that **we** process personal information outside the UK, the processing in those locations is protected by UK and European data standards.

Where **your** claim occurs abroad **we** will also send data to the necessary service providers and agencies as required to service **your** claim.

Financial crime & fraud prevention agencies

The personal information **we** have collected will be shared with crime prevention agencies who will use it to prevent financial crime and fraud and to verify **your** identity. If financial crime or fraud is detected, **you** could be refused certain services, finance or employment. Where **we** suspect financial crime or fraud, **we** may cancel any policies **you** have with **us**, not be able to pay any claim or offer **you** the requested product or service. **We** may share relevant information with crime and fraud prevention agencies, law enforcement agencies and other relevant organisations.

Regulatory bodies

Your personal information will be used or disclosed as required to regulators to monitor and enforce **our** compliance with any regulation.

Claims and Underwriting Exchange and other databases

You must tell **us** about any claim or accident, even if it wasn't **your** fault. **We**'ll share this information and **your** personal details with databases such as the Claims and Underwriting Exchange (CUE). **We** may search these databases when **you** apply for insurance, make a claim or renew **your** policy, to validate your claims history (or that of any other person or property likely to be involved in the insurance or claim).

Credit search and identity check

In order to process **your** application **we**'ll supply **your** personal information to credit reference agencies (CRAs) and **they**'ll give **us** information about **you**, such as about **your** financial history. **We** do this to assess creditworthiness, check **your** identity, manage **your** account, trace and recover debts and prevent fraud and other financial crime.

We'll also continue to exchange information about **you** with CRAs on an ongoing basis, including about **your** settled accounts and any debts not fully repaid on time. CRAs will share **your** personal information with other organisations. **Your** data will also be linked to the data of any joint applicants or other financial associates **you** have.

The identities of the CRAs and the ways in which they use and share personal information are explained in more detail at experian.co.uk/crain, callcredit.co.uk/crain and equifax.co.uk/crain.

Market research agencies

We may share your personal information with market research agencies who will conduct market research and business analysis on **our** behalf.

Reinsurers and reinsurance brokers

We may need to share any personal information, including policy, claims, medical, and suspected fraud and other financial crime information, with **our** reinsurers and reinsurance brokers. Reinsurers provide insurance policies to insurance companies. Insurance companies engage a reinsurance broker to advise and assist in arranging a re-insurance policy.

Other insurers

When necessary **we** share **your** personal information with other insurers if **you** make a claim, to verify that the information **you**'ve provided is correct and prevent financial crime and fraud. If **you** move to a new insurer **we** may confirm certain details about **your** insurance to them. **We**'ll only do this if **we**'re sure it's a genuine request.

Cookies

We use cookies to enhance **your** online experience and help **us** understand how **our** website can be improved. **We** don't store any contact details or banking information and **we**'ll only remember **your** last visit. If **you** want to find out more or stop **us** from using cookies, please see **our** cookie policy on **our** website for more information.

How long we keep your personal information

If **you** buy a policy from **us** **we**'ll keep all personal information for 7 years after the policy ends to ensure **we** meet **our** statutory and regulatory obligations (eg as laid down by the HMRC, MIB), and allow **us** to manage complaints or claims.

After 7 years, **we**'ll only keep the personal information **we** need so that **we** can identify who was covered for 40 years after the policy ends.

In exceptional cases **we** may need to keep claim information for longer than 40 years (eg where serious injury has occurred and there is potential need to provide life-long care to an injured person).

Where remediation work for a claim is backed by long-term guarantees (eg flood, subsidence claims) **we**'ll keep claim information for at least the period of the guarantee (up to 10 years).

We'll keep **your** quote for up to 1 year.

How your cover works

We will insure **you** within the conditions of **your** policy for those sections named in the **schedule** for any insured Event which takes place during the **period of insurance**.

Your policy ends at midnight on the last day of each **period of insurance**.

Changes to your circumstances

Please tell **your insurance broker** at **your** first opportunity if there are any changes to **your** circumstances which could affect **your** insurance.

Please refer to General Condition 12 on page 28 of this policy, where **you** will find a list of changes that **you** must tell **us** about.

If **your** circumstances change and **you** do not tell **us**, **you** may find that **you** are not covered if **you** need to make a claim.

How to make a claim

- 1 Check **your schedule** and this policy, which give details of what is covered and what is not covered.
- 2 Follow the General Conditions on page 26 of this policy.
- 3 Please ring **our** Household Claims Centre on **0800 681 6367** at **your** first opportunity to notify us of **your** claim.
- 4 **You** can make any temporary repairs to prevent further loss or damage. However, until **you** have discussed **your** claim with **us** **we** are unable to confirm that the loss or damage is covered by **your** policy. **You** should keep a copy of the invoices relating to the temporary repairs as they may form part of **your** claim. It would be helpful if **you** could take photographs of the damage. **We** must have the chance to inspect the damage before **you** carry out permanent repairs.
- 5 If someone is holding **you** responsible for damage to their property or for **injury** to them, please tell **us** at **your** first opportunity and give **us** full written details. If **you** receive any correspondence in relation to the claim, do not respond directly to it, please forward it on to **us** (This could include any claim form, summons to appear in court or other legal document). Do not admit **you** are responsible.
- 6 Any permanent repairs made by **our** approved suppliers are guaranteed.

Further information about compensation scheme arrangements is available at www.fscs.org.uk, by emailing enquiries@fscs.org.uk or by phoning the FSCS on 0800 678 1100 or 0207 741 4100.

What to do if you are not satisfied

We will make every effort to give **you** an excellent service. However, if **our** service falls below the standard **you** expect, and **you** wish to make a complaint, please follow the procedure on page 29 of this policy document.

Renewing your policy

Adequate home insurance cover is essential in protecting **your** property and the **contents** inside it against many unexpected events such as flood, **subsidence**, theft or **storm**. Individual insurers will form their own view on what is an acceptable risk to them and this may affect **your** ability to obtain cover with another insurer. Please make sure that **you** have arranged adequate alternative insurance before allowing this policy to expire.

Protecting your home and belongings

We offer the following hints on precautions worth taking.

Fire Prevention

Check **your** electrical equipment regularly. Make sure that **you** use the correct fuses and do not overload the circuits. Ask for the help of a qualified electrician if **you** are in doubt.

If **you** leave **your home** for more than 24 hours, switch off the electricity at the mains or unplug all appliances. (**You** may need to keep the refrigerator, freezer or heating systems in use.) Always unplug non-essential electrical appliances before **you** go to bed at night, especially electric blankets and television sets.

Fires often happen in kitchens. **You** can put out chip pan fires by shutting out the air. Cover the pan with a lid or thick damp cloth. Do not use water. Remember, safety first. Call the emergency services.

Flood

- 1 Gather essential items together either upstairs or in a high place.
- 2 Fill jugs and saucepans with clean water.
- 3 Move **your** family and pets upstairs, or to a high place with a means of escape.
- 4 Turn off gas, electricity and water supplies when floodwater is about to enter **your home** if safe to do so.
- 5 DO NOT touch sources of electricity when standing in floodwater.
- 6 Keep listening to local radio for updates or call Floodline 0345 988 1188.
- 7 Floodwater can rise quickly, stay calm and reassure those around **you**. Call 999 if **you** are in danger.
- 8 Avoid walking or driving through floodwater.
- 9 Keep children and vulnerable people away from floodwater.
- 10 Wash **your** hands thoroughly if **you** touch floodwater.

Water Damage

- 1 Lag exposed water pipes and tanks in the roof area.
- 2 Turn off the water and drain the system if **you** leave **your home** without heat in winter.
- 3 If pipes freeze despite **your** precautions, thaw them out slowly using hot water bottles. Never use a blowlamp.

If **you** would like information on anything mentioned above or anything affecting this policy, contact **your insurance broker**, who will be happy to assist **you**.

Security

- 1 Never leave keys in the lock (other than for ease of exit at night), hanging inside a letterbox or hidden outside the home.
- 2 When upstairs, avoid leaving doors and windows open downstairs.
- 3 Don't leave small **valuables, money**, handbags, wallets and purses where they can be easily seen from outside.
- 4 If **you** go out in the evening, leave a light on in a living room or bedroom. Leaving an outside or landing light on is not sufficient, the home must look lived in.
- 5 Never leave ladders or tools lying around, these will encourage rather than deter an opportunist thief.
- 6 Close and lock all garages, sheds and other outbuildings.
- 7 Join a local Neighbourhood Watch Scheme or consider starting one in **your** area.
- 8 Don't let strangers into **your home** unless they give **you** official proof of their identity. If **you** are suspicious, telephone the company concerned for verification while **your** caller waits outside behind the locked front door.
- 9 Remember to cancel milk and newspaper deliveries before **you** go on holiday and ask a trusted neighbour to keep an eye on **your home** and leave a spare key with them.
- 10 Keep a record of **your** possessions, for example, the serial numbers of televisions and video recorders, and use a security marker which writes in invisible ink to mark **your** postcode and house number (this ink can only be read under ultraviolet light). Retain copies in a safe location.
- 11 Keep receipts, obtain valuations and take photographs of jewellery and any other valuable or unusual items. Photographs are an enormous help to the police for identifying stolen property and returning it to the rightful owner.

Safes

Safes offer an additional level of protection for **your valuables** against thieves. A safe should be carefully chosen taking into consideration the value of the items intended to be locked within, where it is to be located within **your** property and any future purchases of **valuables** that **you** may make. Safes are normally awarded a 'cash rating' which indicates the maximum level of cash that should be held within. The cash rating will be based on the safe's ability to withstand fire and attack. For most safes, the awarded cash rating can be multiplied by ten in order to find the equivalent **valuables** limit e.g. Cash rating £1,000 = **valuables** rating £10,000. A safe supplier will be able to advise **you** on the type of safe that is best for **your** needs.

Further information on protecting **your home** can be found on the following Home Office websites: www.crimereduction.homeoffice.gov.uk/cpghs.pdf and www.homeoffice.gov.uk/secureyourhome

How we settle claims - Buildings

(See also General Exclusions and General Conditions)

If the loss or damage to the **buildings** is covered by this insurance **we** may:

- arrange for repair or replacement using one of **our** suppliers; or
- pay the cost of repair; or
- make a cash payment.

We will pay the full cost of any repair or replacement, including any architects' and surveyors' fees, demolition, removal of debris or local authority costs **we** have agreed to pay. Repairs completed by **our** approved suppliers as a result of a claim covered by this insurance, are guaranteed for 12 months.

We will repair or replace the damaged items without taking off an amount for wear and tear or loss of value, as long as the **sum insured** will cover the full rebuilding cost. If the **sum insured** will not cover the full rebuilding cost, the amount **we** will pay will be the cost of repairs or replacement less an amount for wear and tear.

If the repair or replacement is not carried out and further damage occurs, **we** will not pay more than it would have cost to repair or replace the item if this had been carried out straight away.

We will pay any extra costs to keep to **building** or other regulations or within the by laws of any local authority but only for damaged parts of the **buildings**. This does not include any extra costs **you** pay after notice has been served on **you**.

We will pay for Architects', surveyors', legal and other fees for estimates, plans, specifications, quantities, tenders and supervision. Where **we** agree that any of these need to be appointed and **you** arrange **your** own **we** will not pay more than the fees authorised under the scales of the Royal Institute of British Architects, the schedule of professional charges of the Royal Institution of Chartered Surveyors and the Law Society. **We** will not pay any costs **you** incur for preparing and submitting a claim.

We reserve the right to take ownership of an item or items once **we** have paid a claim following their loss or damage beyond repair, but no item or items may be abandoned to **us**.

Excesses that apply

If **your schedule** shows that **you** have to pay an **excess**, this is the amount **you** must pay as the first part of any claim.

Selling your home

When **you** sell **your home** the person who buys it will be covered by the **buildings** insurance in this section, as long as they have no other insurance in force. This will apply up to the date the sale is completed.

Matching sets and suites

We will treat an individual item of a matching set of articles or suite of furniture or sanitary fittings or other bathroom fittings as a single item.

We will also pay **you** for the other pieces of the set or suite which are not damaged if a replacement for the damaged item which matches the existing set or suite is not available.

Sum insured

The **sum insured** chosen by **you** must be enough to pay for the full cost of rebuilding and take account of the expenses and fees mentioned in b, c and d opposite.

We will not pay more than the **sum insured** for loss or damage to the **buildings** by any of the Events 1 to 13 and 17.

Index linking

Where **your buildings sum insured** is a figure other than £1,000,000, as shown by **your** policy **schedule**, this **sum insured** will change each month in accordance with the House Rebuilding Cost Index published by the Building Cost Information Service of the Royal Institution of Chartered Surveyors (or some other suitable index **we** decide upon).

We will not charge extra premiums on any index linking adjustments during the **period of insurance**. **We** will work out the renewal premium on the **sum insured** which applies on the first day of the renewal month.

If **you** claim for loss or damage, **we** will continue to make the monthly index linking adjustments between the date of the loss or damage and the date when the loss or damage is repaired or replaced for up to one year.

How we settle claims

(See also General Exclusions and General Conditions)

If the loss or damage is to items other than clothing and household linen and is covered by this insurance, **we** will agree with **you** whether to:

- arrange for repair or replacement using one of **our** suppliers; or
- pay the cost of repair or replacement; or
- make a cash payment.

We will repair or replace the damaged items without taking off an amount for wear and tear or loss of value, as long as the **sum insured** will cover the full replacement value of **your contents** as new. If the **sum insured** will not cover the replacement value of **your contents** as new, the amount **we** will pay will be the cost of repairs or replacement less an amount for wear and tear.

If the items are not replaced, the amount **we** will pay will be based on the market value of the items on the date the loss happened. (Market value is the cost of replacing the item at the time of loss or damage taking into account its age and condition.)

Repairs completed by **our** approved suppliers as a result of a claim covered by this insurance, are guaranteed for 12 months.

If the loss or damage is to clothing and household linen:

- **We** will pay to repair damaged items.

We will also pay to remove debris.

We reserve the right to take ownership of an item or items once **we** have paid a claim following their loss or damage beyond repair, but no item or items may be abandoned to **us**.

Selling your home

For the period that **you** are moving to a new permanent address the **contents** cover can be extended to include **contents** in **your** new **home**, providing **you** have advised **us** in advance.

Evidence of Value

We may require **you** to provide evidence of value if **you** need to claim for loss or damage to certain items insured under this section. Where such evidence is required, this will be stated on **your schedule**.

Matching sets and suites

We will treat an individual item of a matching set of articles or suite of furniture as a single item.

We will also pay **you** for the other pieces of the set or suite which are not damaged if a replacement for the damaged item which matches the existing set or suite is not available.

Sum insured

The **sum insured** **you** choose must be equal to the full value of the **contents** insured. **We** will not pay more than the **sum insured** for loss or damage to the **contents** by any of the Events 1 to 13, 16, 18 to 20 and 28.

- Tell the police about any damage caused by theft or attempted theft or if any property is lost outside **your home**.

If a claim has been made or misrepresentation, fraud or financial crime identified, **we** will cancel **your** cover but may not refund any premium.

You may cancel this policy by contacting **your Insurance broker**. If **you** cancel the policy outside the reflection period, **we** will provide a pro-rata refund based on the annual premium payable less a £10 charge plus Insurance Premium Tax, as long as **you** have not claimed during the current **period of insurance**. Where an incident has occurred which may give rise to a claim, the full annual premium will be payable to **us**.
